Dear Mr. Craig McCracken:

I would like to say that the **POWERPUFF GIRLS** show is the best on Cartoon Network, followed by Dexter's Laboratory. They are my favorite cartoons. My friends and I pretend to be them, and am Buttercup.

Well, I just wanted to tell you that if you come out with more episodes on tape (other than "Bubblevicious" and "Monkey See, Doggie Do"), you should make sure that you have these two episodes:

—The one with the old short fat hairy guy who covers all of Townsville in roaches. That one is great! I love it! This is the one that started me watching the **POWERPUFF GIRLS**.

—Also the one where it is raining in Townsville and so the girls play make-believe and Bubbles pretends to be the Mayor. The Professor takes off his clothes and shows his hairy legs and pretends to be Bubbles. That was so FUNNY! I almost cried laughing.

If you made that, my Mom would definitely buy them for me. I would beg her so much that she would never buy me anything again!

Will you make a **POWERPUFF GIRLS** video game? Or show Ms. Bellum's head? What's the narrator's name?

Check out cartoonnetwork.com for a **POWERPUFF GIRLS** game. As for your other questions —? Ms. Bellum is the head of Townsville. And the Narrator, well, his name is — the Narrator.

On a positive note, check out our Cartoon Network blurb. There's some info that might interest you.

Dear DC Comics:

I got two **POWERPUFF GIRLS** comics (#4 and #5), but I was wondering when the rest will come out? And by the way, how can I get issues #1, #2 and #3? Please write back as soon as you read my letter.

If your local comics shop doesn't still have copies of the originals, hopefully you caught **POWERPUFF GIRLS DOUBLE WHAMMY** in October. It reprints the first two issues of **POWERPUFF GIRLS** (plus a **DEXTER'S LABORATORY** story for all you Dexter fans) in one big 64-page comic.

Dear **POWERPUFF GIRLS**:

I am a 19-year-old college student hooked on the **POWERPUFF GIRLS**, especially their comic book! I grew up reading X-Men and Batman. **POWERPUFF GIRLS** adventures are very different but still very entertaining. What is it that makes them so likable? I think it's because of Buttercup. She's my girlfriend!

Well, just wanted to say "keep up the good work." The writing is great, and the art by Ricardo Garcia Fuentes is the best!

Dear **POWERPUFF GIRLS**:

My favorite show is the **POWERPUFF GIRLS**. I like to draw their tool! My earlier drawings weren't good. That was since this January, but after a lot of practice, I finally got to draw the **POWERPUFF GIRLS** well.

I don't have Cartoon Network, but I have the videos "Bubblevicious" and "Monkey See, Doggie Do." I also have two taped from my friend.

My favorite **POWERPUFF GIRL** is Blossom. My friend's favorite is Bubbles. And my sister likes Buttercup.

I have a **POWERPUFF GIRLS** watch, purse, key chain, shirt, and doll.

I have one question. Could the creator of the **POWERPUFF GIRLS** make a real-life movie of the **POWERPUFF GIRLS**? That would be great! Thanks!

There are no plans from the creator, Craig McCracken, or Cartoon Network to make a live-action film of the **POWERPUFF GIRLS**, although it would be pretty cool to see who they would pick to play those pint-size powerhouse. Fortunately there is a **POWERPUFF GIRLS** movie in the works as we speak. It should be in theaters in the summer of 2002.
